

# ASH CONVEYORS AND STEEL BELTS FOR ASH HANDLING

# CONVEYOR TECHNIQUE

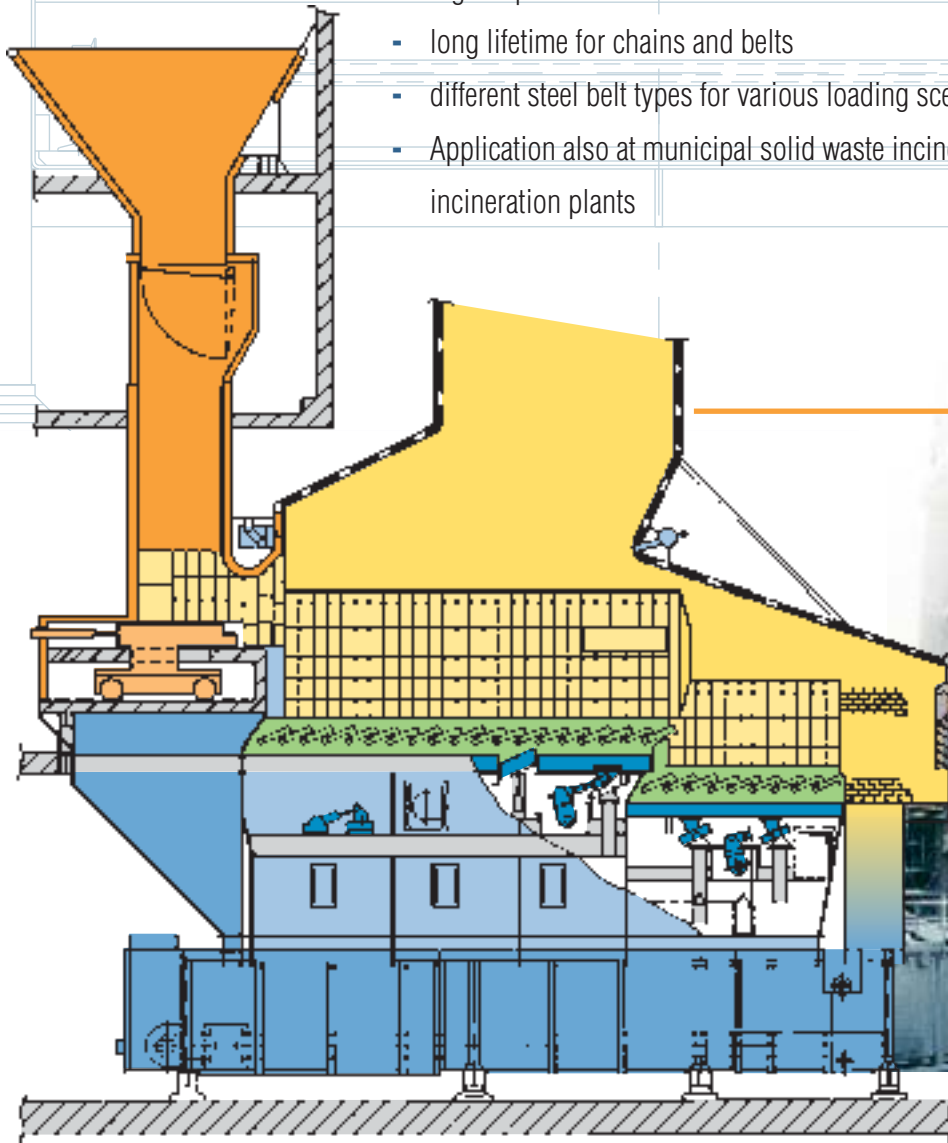

...for hot and abrasive material

Experiment for testing the explosion gates of a ash infeed conveyor

- world-wide application of Mayfran ash conveyors under hardest conditions
- continuous operation
- no risk of plugging up
- high impact resistance
- long lifetime for chains and belts
- different steel belt types for various loading scenarios
- Application also at municipal solid waste incineration plants / hazardous waste incineration plants
